

Dear OAAS Supporters,

The OAAS Convention is taking place on February 22-24, 2024, with an added evening of hospitality, and we are looking to continue the amazing hospitality to all delegates, like was done in 2023

The OAAS understands that networking and comradery amongst attendees is a very important feature and a reason for people to travel to the convention, however delivering a safe event is priority. The OAAS will be bringing back the traditional hospitality suite, however we are also encouraging everyone to visit and socialize in larger areas, while at the convention.

Saying that, each attendee will be receiving two complimentary beverage tickets at the registration desk, which will display all the sponsors and partners, who are willing to support this popular feature. A great opportunity for your logo to displayed nearly 1,000 to the convention delegates. Tickets that can be redeem during the evening showcases and entertainment on Thursday, Friday and Saturday.

For the rate of \$1,000 you are invited to be a supporter of this fun feature at the 2024 Convention.

In addition, for your contribution, you will be recognized on conference partnership signage, on any social media postings and mobile app advertising opportunities.

Thank you for considering this request and I look forward to working together to make the 2024 OAAS Convention a safe and successful event. Any questions please let me know. Hope to hear from you soon,

Sincerely

Kathryn Lambert
